

Rally Total Impact Fund

A global multi-asset-class impact fund, aligned to the United Nations' Sustainable Development Goals

FUND SUMMARY

Generating a Measurable Impact Alongside a Financial Return

Rally Assets created this fund in response to a) its belief that companies that embed sound practices related to people, the environment, supply chain and community will deliver superior financial returns over the long term and contribute to social and environmental benefit; and b) the limited options for investors to allocate capital into investment opportunities that can deliver measurable positive impact and acceptable financial returns on a risk-adjusted basis.

KEY INVESTMENT HIGHLIGHTS

- **Mandate:** The fund incorporates the ESG approach of responsible investing (using environmental, social and governance factors to evaluate risks) and then goes beyond to target impact investments that contribute to measurable positive outcomes for society and the environment.
- **Focus on Impact and Returns:** Implements a rigorous approach to first identify high-impact opportunities that contribute to the UN's Sustainable Development Goals (SDGs) then applies traditional fundamental analysis and due diligence to select investments that optimize the portfolio's impact and risk-adjusted returns.
- **Total Portfolio Approach:** Composed of public and private investments that deepen the overall impact achieved while simultaneously providing liquidity and reducing portfolio volatility through asset allocation and diversification.
- **Global Exposure:** Invests across global markets to generate impact that tackles critical global issues.
- **Active Strategy:** Takes an active role in security selection and in engaging with companies and funds.

Series F	1.45%	MAJ621	
Series I	Negotiable. <i>Series I is for large investments only.</i>	MAJ622	

IMPACT OVERVIEW

Impact Aligned with the SDGs. The SDGs are a shared blueprint for peace and prosperity for people and the planet. They help investors identify areas where capital is needed to address the world’s biggest problems and have become a universal framework for impact reporting. Rally translates the 17 SDGs into five themes, each containing several investment areas.

Revenue and Operational Impact. Rally’s impact framework examines both what a company does, and how it goes about doing it. Rally’s examination of operations includes relevant and material ESG factors like policies, practices and procedures as well as operational impact outcomes, like the creation of quality jobs or the carbon intensity of operations.

Integrated Portfolio Reporting. On a quarterly basis the fund will report financial and impact performance – showing the breadth and depth of the portfolio’s alignment to the SDGs and Rally’s themes.

THEMES	THEME ALLOCATION
<p>SUSTAINABLY MEETING BASIC NEEDS</p>	<p>18%</p> <p>Investment areas include sustainable, nutritious and humane food systems; healthcare, personal care and medical equipment; and disease prevention and response.</p>
<p>EMPOWERING THE STRUCTURALLY EXCLUDED</p>	<p>27%</p> <p>Investment areas include gender and minority representation and empowerment; accessible and affordable educational services; and access to the digital economy.</p>
<p>ADDRESSING CLIMATE CHANGE</p>	<p>24%</p> <p>Investment areas include sustainable and renewable power; energy efficiency; and sustainable transport and logistics.</p>
<p>SUSTAINABLE USE OF NATURAL CAPITAL</p>	<p>19%</p> <p>Investment areas include renewable and sustainably sourced materials; sustainable agricultural practices; and water and resource efficiency and sustainability.</p>
<p>SOCIAL INFRASTRUCTURE</p>	<p>13%</p> <p>Investment areas include democratized employment; payments infrastructure and fraud prevention; and communications infrastructure</p>

ABOUT RALLY ASSETS

Rally Assets is an impact investment management and advisory firm. The firm helps investors generate positive social and environmental impact alongside a financial return. Rally creates specialized solutions for corporate and institutional investors, foundations, family offices and individual accredited investors. Since its start in 2010 as Purpose Capital, it has been a trusted leader in the sector.

Upkar Arora, FCPA, FCA, ICD.D
Chief Executive Officer,
Chief Compliance Officer

As CEO and an impact investor, Upkar brings sophisticated expertise in business, capital markets and finance from working with companies of all sizes, at different stages, sectors and geographies. Over the past 35 years, he has been engaged in innovative debt, equity and hybrid finance solutions in the public and private markets and complex mergers, acquisitions, restructurings and dispositions in excess of \$20 billion.

Marc Foran, MBA, CFA
Chief Investment Officer

With two decades in the financial services industry, Marc has built diverse expertise in managing global portfolios of public stocks, fixed income, alternative assets and private equity investments. He is the portfolio manager for all Rally funds. Prior to being Rally's CIO, Marc was a portfolio manager with British Columbia Investment Management Corporation's \$1.5 billion Global Thematic Fund.

Kelly Gauthier, MBA
Managing Director
and Partner

Kelly oversees Rally's advisory services and leads its client services team. For 20 years she has worked with a range of asset owners to design and implement their approach to responsible investing and impact investing. Before joining Rally, Kelly was with Mercer in the responsible investing team. Kelly is a board member of the Responsible Investment Association.

Rally is a **Certified B Corporation**. *Certified B Corporations meet the highest standards of verified social and environmental performance, public transparency and legal accountability to balance profit and purpose.*
